THESIS OR  
DISSERTATION TITLE:

This declaration is confidential and shall not be made available to the student, or any of the examiners. The thesis/dissertation shall only be submitted for examination once the supervisor(s) has completed and signed this declaration.

In addition to this form, the supervisor(s) may submit a more detailed written report regarding the work. If the supervisor(s) do not support the submission of the thesis/dissertation, a report is required. Such a report may include the context in which the study was undertaken, the methodological set-up according to which the study was undertaken and within which the study should be assessed, to what extent the student worked independently, problems experienced by the student with regards to the collection of information, and any other aspect that could have implications for the final assessment and allocation of a mark for the thesis/dissertation, particularly if a 'pass with distinction' is a possibility. The report is only made available after the examiners have submitted their own reports, including recommendations regarding the final mark to be allocated.

#### **VERIFICATION**

I/we have seen and checked the document, as submitted for examination, contextually.

I/we have assessed each chapter in the document extensively at least once before and have made applicable suggestions and recommendations, providing sufficient guidance to enable the student to submit an acceptable thesis/dissertation.

---

#### **PUBLIC PRESENTATION**

If a formal and public presentation of the work, as described in the thesis/dissertation, was done, please supply details below.

#### **TURNITIN SIMILARITY INDEX**

The thesis/dissertation was submitted to Turnitin.

I/we have taken note of the Turnitin similarity index, perused the submitted document with the student, and find it acceptable to be submitted for examination.

After perusal of the submitted document with the student, I/we have found the Turnitin similarity index to be too high. The student insisted that the document be examined.

**SUPPORT FOR SUBMISSION**

I/we are in full support of this submission and of the opinion that the dissertation/thesis is of acceptable standard for the degree under consideration.

I/we are in support of this submission, but not necessarily fully satisfied with the final product. However, I/we have assessed the work and have commented on it extensively.

I/we do not support this submission, but the student has requested that the work be examined.
