SUBMISSION:  First  Second

### RECOMMENDATION

After a full oral examination, the Chair of the Examination Commission recommends as follows (please select only one relevant tick box):

First submission of the dissertation:

- (a) The dissertation satisfies all the examiners with respect to the assessment criteria. Minor changes and/or corrections should be completed to the satisfaction of the supervisor(s) before the final copy can be submitted to the Stellenbosch University archive.
- (b) The dissertation fails to satisfy some or all of the examiners with respect to the assessment criteria. Major changes and/or improvements should be completed, and the dissertation re-submitted, before an outcome can be considered. The dissertation can be improved once only.
- (c) All examiners agree that the dissertation fails comprehensively to satisfy the assessment criteria, and that no re-submission will be considered.

Second submission of the dissertation:

- (e) After one re-submission, the dissertation satisfies all the examiners with respect to the assessment criteria. Minor changes and/or corrections should be completed to the satisfaction of the supervisor(s) before the final copy can be submitted to the Stellenbosch University archive.
- (e) After one re-submission, the examination commission could not reach a unanimous decision. The process is referred to the Departmental Management Committee for further processing.
- (f) After one re-submission, all examiners agree that the dissertation fails comprehensively to satisfy the assessment criteria. The student fails.
